

Pre-Confirmation I and II Preparation

Pre-Confirmation is a two year program that begins after the completion of the lower grade Faith Formation program, and is usually completed in Grades 7 and 8. It includes, but is not limited to:

- Service to the wider community
- Prayer experiences such as retreats and Mass
- Catechesis

Items to be completed as you begin to prepare for your Sacrament of Confirmation:

An opportunity to participate in Community Service

Students may join the Middle School Youth Ministry program. They will also be able to participate in various service opportunities that will be announced throughout the year.

A Retreat

The students are expected to attend a retreat each year as part of their faith formation. Retreats will meet Sundays per the schedule. Snacks, lunch, and Mass are included. This is often the student's favorite experience!

Attend ALL Faith Formation classes

Class and retreat schedules are published in June with the registration materials and placed on our web site each year. Classes are from 5-8pm including Mass. A video series and/or speakers will be provided for each session, as well as small group discussion time, dinner, and a community building exercise. Families are welcome and encouraged to attend both the Mass and the lectures with their children. They are also welcome to join us for the dinner that is provided for each person in attendance as well.

Forms and calendars are available for printing at www.pwc.church under the Faith Formation tab.
